

ABDULLAH KHAN

WordPress Developer | Front-End Developer

abdullahkhan824779@gmail.com | +92 370 0158852 | House No. 271, Unit 8, Latifabad, Hyderabad

SUMMARY

Results-driven WordPress Developer with over 3 years of professional experience designing, developing, and optimizing modern websites in a software house environment. Proven ability to deliver responsive, high-performance, and conversion-focused web solutions for real estate companies, eCommerce businesses, and service-based organizations. Adept at working with Elementor Pro, WooCommerce, and custom HTML/CSS/JavaScript, with additional exposure to Framer, Shopify, and Webflow. Committed to clean code, excellent user experience, and scalable development practices that drive measurable business growth.

WORK EXPERIENCE

Frontend & CMS Developer, Brixq Software House 2024 – Present

- Designed, developed, and maintained custom WordPress websites for local and international clients across real estate, eCommerce, and corporate sectors.
- Built responsive interfaces using HTML5, CSS3, and JavaScript, ensuring cross-browser compatibility and excellent mobile user experience.
- Implemented Elementor Pro page builders and WooCommerce solutions including product management, payment integration, and storefront design.
- Optimized website performance, page load speeds, and SEO fundamentals to improve search visibility and user engagement.
- Collaborated with design and development teams to deliver projects on time while maintaining high-quality UI/UX standards.

PROJECTS

Singapore Real Estate Websites, savewithproperty.sg 2024

- Developed multiple Singapore-based real estate websites featuring property listing pages, lead generation systems, and custom landing pages.
- Focused on conversion-driven design, performance optimization, and responsive layouts to maximize user engagement.

eCommerce Website Development, thesoulprojectkw.com 2024

- Designed and built eCommerce websites using WooCommerce and Shopify, including product management systems and payment integrations.
- Delivered responsive storefronts that helped businesses establish a strong online presence and improve customer engagement.

Business & Corporate Website, peshawarzalmi.com 2025

- Developed a professional corporate website using WordPress and Framer, with a focus on modern design and strong brand identity.
- Ensured performance optimization and responsive experience across all devices and screen sizes.

EDUCATION

Bachelor of Science in Software Engineering (BSSE) 2025 – Present

Hyderabad Institute for Technology and Management Sciences (HITMS)

- Pursuing a degree with focus on software development, OOP, web technologies, and database systems.

Degree College Hyderabad

- Completed HSC with a Pre-Engineering background; built a strong foundation in Mathematics, Physics, and Computer Science.
